WHO ARE WE?

We are fully Integrated Technical Training and Consultancy Company, comprising a group of industry Professionals, Consultants, Executives, and Practitioners with extensive Regional and Global experience in Technical and Management Development, as part of Human Capital Development and Talent Acquisition, particularly in the Oil & Gas Industry, but also in other industrial sectors.

We are a company has been active in the region since 1990. We are the preferred source for a comprehensive range of products and services to many long-standing clients in the Oil, Gas and Petrochemical Industries.

- Competency and Capability Assurance
- Workforce Assessment Solutions
- Professional Technical Training Services
- Engineering Consulting
- E-Learnings & Knowledge Solution

OUR GLOBAL STANDARDS AND ACCREDITATION

We are working alongside and with international bodies that provide access to global standards and certification. This ensures that our products and processes match global requirements and adds a level of assurance to our clients, whilst enabling them to adopt standards that provide real business benefit to them and their employees.

WE ARE ISO 2015 :9001 & OHSAS 18001:2007

ISO -2015 :9001 Quality Management System (QMS), ISO :14001 -2004 Environmental Management System (EMS), OHSAS :18001 -2007 Occupational Health & Safety Management System (OHSAS)

We also are Approved Center of the Scottish Qualification Authority (SQA), a UK Governmental Organization, offering Customized Award Programs (SVQ Level) credit rated onto the Scottish Credit and Qualifications Framework (SCQF).

OUR CREDENTIALS: We are selected from the prestigious Clients
